

Assistance Programs Eligibility Guidelines

Below is an overview of the Water Revenue Bureau's (WRB) income-based assistance and benefits. When you provide a completed application, along with all required documentation, WRB uses the application to determine and enroll you in the program that is most beneficial to you.

Tiered Assistance Program (TAP)

If your household income is equal to or less than 150% of the **Federal Poverty Level (FPL)**, your monthly water bill payment could be fixed at between 2% and 3% of household income.

Is your household income greater than 150% of FPL?

Special Hardship Claims:

If your household has special circumstances (such as the loss of a job or death of a primary wage earner), your monthly water bill payment could be fixed at 4% of household income.

For more information, see **Attachment C**.

If your income is between

150–250% of FPL you may still be eligible for monthly payments of about 4% of household income.
