Mobile Medical Services Provider Permit

The City of Philadelphia thanks you for your interest in serving individuals in need of medical services.

The Philadelphia Department of Public Health has developed this application pursuant to the Philadelphia Board of Health's Regulation Relating to Mobile Medical Service Providers to improve coordination among mobile medical service providers, to facilitate opportunities for continuity of care for patients, and to help ensure that mobile medical services are delivered by health care practitioners according to appropriate standards of care.

This permit does not confer the right to provide mobile medical services in any particular location; additional approvals from other City departments (e.g., Licenses and Inspections, Public Property, Parks and Recreation) or other individuals may be needed.

Lehigh Ave.) must also **separately** obtain and maintain written permission from the Office of Public Safety (OPS). To seek permission, please contact: Kurtis August, Executive Director of the Division of Criminal Justice, at Kurtis.August@phila.gov.
