

# GET INVOLVED

## 52nd Street: Arch to Pine Commercial Corridor Improvement Project

### UPCOMING PUBLIC MEETING

Join us and help shape the Commercial Corridor Improvement Project.

Wednesday, January 28, 2026 | 6:00 PM - 8:00 PM

Location: Global Leadership Academy Southwest  
(5200 Pine St, Philadelphia, PA 19143)

### Design Toolbox: Potential Improvements

#### Curb Extensions

Shortens crossing distances

#### Medians

Separates traffic lanes and reduce pedestrian crossing

#### Raised Crossings

Improves pedestrian visibility, reduce vehicular speed

#### Upgraded Transit Stops/ Bus bump-outs

Improves the transit rider experience by making it more comfortable, convenient, and accessible

#### Street Trees

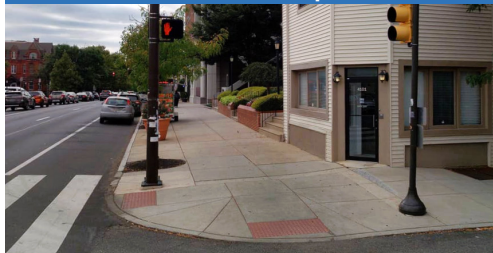

Beautifies the corridor, provide shade, and make it more pedestrian-friendly

#### Loading Zones

Improve parking availability, prevent illegal and double parking

#### Curb and Sidewalk Improvement

Promotes walking, provides safe accessible spaces

Can't make it? Fill out the project survey!

# 52nd Street Commercial Corridor Improvement Project

## Why 52nd Street

- Historic and cultural hub of West Philadelphia
- One of the busiest bus routes in Philadelphia (Route 52)
- Priority corridor in the Philadelphia Transit Plan
- More serious and fatal crashes occur on 52nd Street than most city streets

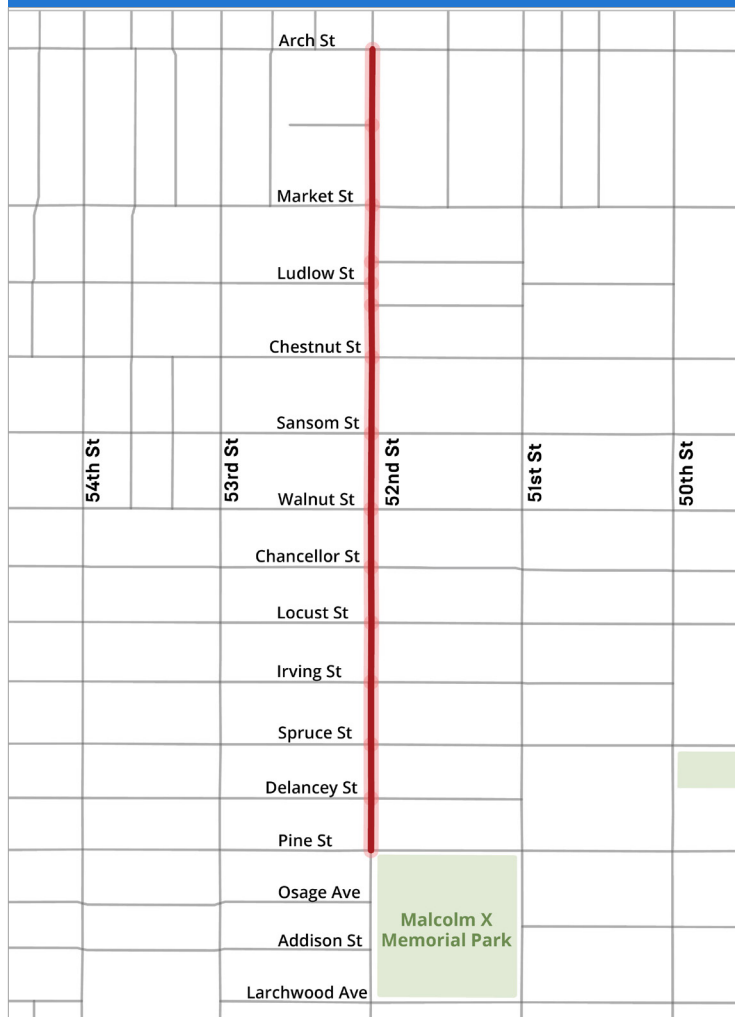

## What is Planned?

The 52nd Street Commercial Corridor Improvement Project, a partnership between the City, the Enterprise Center, and community stakeholders, aims to create a safer, cleaner, and greener corridor for all.

### Project components may include:

- Traffic calming measures such as curb extensions and raised crosswalks
- Transit improvements
- Improved curbside parking and loading
- Streetscape Improvements

## Project Limit: Arch to Pine

## Project Timeline

**Winter 2024** ● Transit Study completed

**Summer/Fall 2025** ● Gather input and ideas from businesses and residents

**Early 2026** ● Community provides feedback on design concept  
*We are here*

**Spring/Summer 2026** ● Community provides feedback on updated design

**2027+** ● Final Design and construction

**Your feedback matters! Scan the QR code to take the survey**
