

# CLOSE THE SALES TAX LOOPHOLE

- **Closes a loophole** in the City's sales & use tax
- **Requires remote sellers** outside the city to charge a 2% local sales tax
- Tax will be implemented on **July 1st**

GENERATING AN ESTIMATED **\$1.5 MILLION** FOR THE CITY

## WHY IT'S NECESSARY

No matter where a business is located, whether that be elsewhere in Pennsylvania or anywhere across the country, every seller is subject to the same sales tax.

## ABOUT THE TAX

Right now, any business located outside Philadelphia only has to charge the state's 6% sales tax on something you buy online, while our local businesses have to collect the full 8% – 6% for the state and 2% for the City.

## WHO BENEFITS

Local businesses and our local economy through innovation and growth
