Public Comment:

- Question for APR from Laila Khalil: Are the Auditors reviewing cases from the last 3-6 months?
 - Director Zajac responded: Yes. About 75% of the cases we see were completed within the 90 day deadline. It does depend whether a case is filed in a timely manner, but most of the cases are within that timeline.
- Sylvia Metzler: Question about the slide showing police districts, is there an error in which districts have the most?
 - Director Guy and Zajac confirmed that the bar graph is correct, there was a typo in the caption on the slide. The slide indicated that the highest number of audits was from the 15th District in May, but should have said April. This will be corrected in the version published online.

Adjournment:

- Motion to adjourn from Commissioner Rahman
- Seconded by Commissioner Solomon
 - Motion passes; meeting adjourned 7:24 PM.

Approved by Commissioners on July 24, 2025.
