## Narratives

### Executive Summary:

The plan requests funding from the Department of Housing and Urban Development for funding for four coordinated approaches to market transformation, all set within the context of a broader array of planned activities. These approaches will be used in neighborhood(s) that are most appropriate; in some cases, more than one tool will be used. The four NSP2 activities that will stabilize neighborhoods by addressing foreclosure and vacancy, are: (1) Homebuyer Incentives, (2) Purchase and Renovation, (3) Gap-Financing for Market Catalyzing Anchor developments, and (4) Demolition.

The City of Philadelphia is confident that the resources can be deployed quickly and can be used to catalyze development and improve the quality of life in these targeted neighborhoods- while creating the momentum to move the revitalization of Philadelphia forward.
