

## Philadelphia Continuum of Care 2014 Housing Inventory Chart

The accompanying tables reflect the complete inventory, as of January 31, 2014, of Emergency, Transitional, Permanent Supportive, and Rapid Re-housing Programs within the Philadelphia Continuum of Care.

### Key: Project Type

**Emergency Housing (ES):** Any facility that the primary purpose of which is to provide temporary shelter for the homeless in general or for specific subpopulations of the homeless, while they prepare to move into more stable housing. The housing and services are typically provided for up to 90 days or until specific goals are accomplished by the client.

**Transitional Housing (TH):** Is one type of supportive housing used to facilitate the movement of homeless individuals and families to permanent housing. It is housing in which homeless persons may live up to 24 months and receive supportive services that enable them to live more independently. The supportive services may be provided by the organization managing the housing or provided by other public or private agencies.

**Safe Haven (SH):** Serves hard-to-reach homeless persons who have severe mental illness, are on the streets and have been unable or unwilling to participate in supportive services. The program provides 24-hour residence for an unspecified duration. Safe Havens do not require participation in services and referrals as a condition of occupancy. Rather, it is hoped that after a period of stabilization in a safe haven, the resident will be more willing to participate in services and referrals and will eventually be ready to move to more traditional form of housing.

**Permanent Supportive Housing (PSH):** Long-term (not time-limited) housing in which supportive services are provided to assist homeless persons with a disability to live independently. At least one adult or child in the household must have a disability to qualify for permanent supportive housing.

**Other Permanent Housing (PH):** Long-term (not time-limited) housing in which supportive services are provided to assist homeless persons to live independently. Having a disability is **not** an eligibility requirement for PH.

**Rapid Re-Housing (RRH):** Rapidly rehouses persons who are homeless into private market housing. Provides rental assistance and supportive services on a time-limited basis.

### KEY: Inventory type

C: Current Inventory - Beds that were available for occupancy on or before January 31, 2013.

N: New Inventory - Beds that became available for occupancy between February 1, 2012 and January 31, 2014.

U: Under development - Beds that are fully funded but were not available for occupancy as of January 31, 2014.

### Key: Bed Type (Emergency Housing Only)

F: Facility Based Beds - Beds (including cots or mats) located in a residential homeless assistance facility.

O: Other Beds - Beds located in a church or other facility not dedicated for use by persons who are homeless.

### KEY: Target Population A

CO: Couples only, no children

HC: Households with children

SF: Single Females

SFHC: Single Females and Households with children

SM: Single Males

SMHC: Single Males and Households with children

SMF: Single Males and Females

SMF + HC: Single Males and Females plus Households with children

YF: Youth Females (under 18 years old)

YM: Youth Males (under 18 years old)

YMF: Youth Males and Females (under 18 years old)

### KEY: Target Population B

DV: Program serves Domestic Violence Victims only

HIV: Program serves HIV/AIDS populations only

### Key: McKinney - Vento Funding

**Yes:** Program receives any HUD McKinney-Vento Act funding, including Emergency Solutions Grants (ESG), Supportive Housing Program (SHP), Shelter Plus Care (SPC), Continuum of Care (CoC), and Section 8 Moderate Rehab Single-Room Occupancy (SRO)

**No:** Program does not receive any funding through any McKinney-Vento Act Grant Programs

### KEY: Bed Type

**Beds HH w/ Children:** Beds designated for Households with at least one adult and one child

**Units HH w/ Children:** Units designated for Households with at least one adult and one child

**Beds HH w/o Children:** Beds designated for Households without Children

**Beds HH w/only Children:** Beds designated for Households composed entirely of persons under the age of 18

**Veteran Beds:** Dedicated beds for homeless veterans and their families.

**Youth Beds:** Dedicated beds for homeless youth.

### Youth Age Groups:

<18: Beds are dedicated to serve only youth under the age of 18

18-24: Beds are dedicated to serve only youth aged 18-24

<=24: Beds are dedicated to serve only youth up to age 24

**Seasonal Beds (Emergency Housing Only):** Beds available on a continuous basis during high-demand seasons of the year

**Overflow Beds (Emergency Housing Only):** Beds that are available temporarily and sporadically during high-demand seasons of the year

**CH Beds (Permanent Supportive Housing & Summary Chart):** Beds that are reserved exclusively for chronically homeless persons as defined by HUD

**HMIS Beds:** A bed is considered an "HMIS Bed" if the provider is entering data into HMIS on the clients served. The Homeless Management Information System (HMIS) is a computerized data collection system that tracks services received by homeless people, helps identify gaps in services within the continuum, and allows for greater collaboration among service providers as the system provides a "history" of a homeless person's involvement in the system of care. This system is required by HUD for all continuums of care.

**PIT Count:** Number of persons in the program on the night of the Annual Homeless Point in Time Count (January 29, 2014).

**Utilization Rate:** Calculated based on the program's total bed capacity (including year-round, seasonal, and overflow beds) and the number of beds occupied on the night of the point-in-time count.
