TURKEY DINNER GIVEAWAY AT THE PDP

Thanks to you, the city and contracted staff- our PDP family, the annual Thanksgiving Dinner giveaway was a success! Each jail was able to provide a complete turkey dinner to a family who has a loved one in our custody. We hope that by providing these meals, we can make their holiday easier.

Mr. Moss, RCF’s recipient, was excited when he picked up dinner for his family. He explained that he was a single father and was worried about providing a nice dinner for his daughters. He and the other winners expressed sincere gratitude to the staff.

Holidays can be difficult for families. Things can be especially hard when a family member is incarcerated. Because of you and your generosity we helped people in need AND we were also able make a sizeable donation of food to local homeless shelters and food banks through the City’s Office of Homeless Services.

Happy Thanksgiving to you all. You are appreciated!
