

NEWS ABOUT CAMPAIGN FINANCE FILING – MUST READ

The Board of Ethics and City Commissioners have implemented a new online system for the filing of campaign finance reports. The Department of Records will no longer be a point of contact for campaign finance filings. For questions regarding the new system, please contact the Board of Ethics at 215-686-9450 or campaign.finance@phila.gov.

To set up an account on the new system, please go to this link: <https://apps.phila.gov/campaign-finance/auth/>

The new system is web based and will allow for simultaneous filing of campaign finance reports with both the Board of Ethics and the City Commissioners. The new system is compatible with both Mac and PC and works on Internet Explorer, Edge, Chrome, Safari, and Firefox. (Note: please disable pop up blocker while using the system.)

Please note that accounts set up with the prior City filing system did not transfer to the new system. Users who had an account under the old system will have to reestablish their account. You can reuse your old Filer ID Number if you choose to.

You must use the new system to file all upcoming required reports with the Board of Ethics, including the 2019 Cycle 1 report which is due on April 9. The Board will have a filing support center open at the Board's on April 4, 5, 8, & 9. Computers and support staff will be available to anyone who needs them.
