

SUBGRANT AGREEMENT

This Subgrant Agreement (“**Subgrant Agreement**”) between the PIDC-Local Development Corporation (“**PIDC-LDC**”) and _____ (“**Subgrantee**”) is effective _____, 20_____.

BACKGROUND

A. The City of Philadelphia (“**City**”) is a corporation and body politic existing under the laws of the Commonwealth of Pennsylvania (“**Commonwealth**”), having adopted the Philadelphia Home Rule Charter (“**Home Rule Charter**”) under the provisions of the First Class City Home Rule Act of April 21, 1949, P.L. 665.

B. A majority of the City is served by a combined sewer system, meaning sanitary waste and stormwater travel in the same pipes to a wastewater treatment plant. During certain wet weather events, the combined sewage and stormwater exceeds the system’s capacity, forcing untreated discharges into our rivers and creeks (“**Combined Sewer Overflow**” or “**CSO**”).

C. The City, through its Water Department (“**PWD**” or “**Department**”), is required by the state and federal governments to reduce CSOs and improve receiving water quality as described in a Consent Order & Agreement with the Pennsylvania Department of Environmental Protection, dated June 1, 2011 (“**2011 CO&A**”). To comply with the 2011 CO&A, the City must reduce the amount of stormwater entering its combined sewer system during rain events.

D. The City, through PWD, is on the forefront of an emerging national trend to use “green” infrastructure, as opposed to traditional “gray” infrastructure, to reduce stormwater runoff by re-creating natural, green landscapes as described in the City’s CSO Long Term Control Plan Update (“**LTCPU**” or “**Green City, Clean Waters Plan**”). While many of the greening projects will occur on public property, the Department acknowledges that there may be opportunities to manage stormwater on private lands at a cost which would be far less than managing the same volume of stormwater through infrastructure in the public right of way.

E. Further, in separate sewered areas, where stormwater is discharged directly to streams and creeks, runoff can damage these water bodies and their riparian buffers. Such damage can include the following: stream bank erosion which can harm both private property and infrastructure owned by the Department; water quality degradation; aquatic habitat impairment; and the exacerbation of flooding. The Department is investing in stream restoration projects, stormwater treatment wetlands, and flood control projects to address these concerns. Therefore, it is in the Department’s interest to control runoff in these separate sewered areas as well.

F. The Philadelphia Authority for Industrial Development (“**PAID**”) is a public instrumentality of the Commonwealth and is a body corporate and politic organized and established by the City under the Pennsylvania Economic Development

Financing Law, approved August 23, 1976, P.L. § 251 et seq., 73 P.S. § 371 et seq., as amended (“**Economic Development Financing Law**”).

G. Section 372.1 of the Economic Development Financing Law declares it to be in the public interest and policy of the Commonwealth to promote public and private infrastructure, commercial and economic development, the acquisition, construction, and improvement of public facilities, and to encourage economic development within the Commonwealth by providing basic services and facilities as more fully and particularly set forth in the Economic Development Financing Law.

H. PAID has and may exercise all powers necessary and convenient for carrying out the aforesaid purposes, including but not limited to (1) constructing, improving and maintaining projects, (2) making contracts of every name and nature necessary or convenient for carrying out projects, and (3) doing all acts and things necessary or convenient for carrying out and exercising the purposes of and the powers granted under the Economic Development Financing Law.

I. The City has the authority to grant funds to PAID pursuant to § 381 of the Economic Development Financing Law, and PAID has the authority to receive grants from the City pursuant to §§ 372.1 and 376(b)(12) of the Economic Development Financing Law.

J. The City and PAID have established a Greened Acre Retrofit Program (“**GARP**”) to provide financial assistance to certain qualified applicants who desire to install green stormwater management practices (“**SMP**” or “**SMPs**”). GARP provides grants to qualified applicants for design and construction of SMPs across multiple properties in Philadelphia (the “**Project**”) where the City determines that the Project offers the maximum cost savings to the City, achieves the largest reduction of stormwater runoff, and provides the greatest environmental benefit. Applicants must provide agreements or contracts with each participating property owner. The City has concluded that public benefits outweigh any private benefits enjoyed by a property owner or an applicant who undertakes a Project.

K. PIDC-LDC has contracted with PAID to administer this grant program on PAID’s behalf.

L. The City has granted PAID funding (“**City Funding**”) which PAID, through PIDC-LDC, will subgrant to qualified applicants in accordance with this Subgrant Agreement (“**Project Funding**”).

M. _____ (“**Subgrantee**”), [*insert description of the Subgrantee*] applied for and has been awarded \$ _____ in Project Funding to undertake the design and/or construction of SMPs described in Exhibit B (the “**Project**” or “**Project SMPs**”) on properties described in Exhibit A (“**Properties**”) and owned by the Property Owners identified in Exhibit A (“**Property Owners**”). Subgrantee has demonstrated it is committed to the City’s environmental goals and has satisfactorily proven to the City that Subgrantee’s Project, as described in **Exhibit B**, will significantly aid the City in reducing stormwater runoff at a cost savings to the City.

NOW, THEREFORE, the parties hereto, intending to be legally bound hereby, covenant and agree as follows:

1. Incorporation of Background.

The Background recited above is hereby incorporated into and made a part of this Subgrant Agreement.

2. Subgrant.

A. PIDC-LDC shall disburse the Project Funding to Subgrantee in accordance with this Subgrant Agreement and with the procedures described in **Exhibit G**.

B. Subgrantee shall use the Project Funding solely to pay for the design and construction costs associated with the Project, unless and except as otherwise provided in **Exhibit G**.

C. PIDC-LDC's obligation to provide Project Funding is contingent upon:

- 1) Availability of City funding,
- 2) Subgrantee's adherence to the terms of this Subgrant Agreement, and
- 3) Property Owner'(s) and Subgrantee's correction of any condition resulting in a notice of violation or defect issued by PWD, the Water Revenue Bureau or the Department of Licenses and Inspections.

3. Term.

A. The term of this Subgrant Agreement ("**Term**") shall terminate upon the earlier to occur:

- 1) one (1) year from the Effective Date, or
- 2) disbursement of the Project Funding according to the procedures listed in Section 2 of this Subgrant Agreement.

B. Property Owners' obligation to maintain the Project shall survive the termination or expiration of this Subgrant Agreement and shall be in accordance with Section 6 and the Operations and Maintenance Agreement for Stormwater Management Practices, the form of which is attached as **Exhibit C** of this Subgrant Agreement.

4. Project.

Subgrantee shall design and install the SMPs according to **Exhibit B** of this Subgrant Agreement.

5. Ownership.

Property Owner shall own the Project SMPs constructed under this Subgrant Agreement including all appurtenant piping constructed with Project Funding and connecting the Project SMPs to the City sewer or other approved point of disposal.

6. Deed Restriction, Access and Operations & Maintenance Agreement.

A. Property Owner, at its expense, shall record against the Property a deed restriction or easement agreement in the form of the Operations & Maintenance Agreement for Stormwater Management Practices attached as **Exhibit C**, which shall run with the land and ensure maintenance and care of the Project for its useful life or 45 years, whichever is longer.

B. Property Owner and Subgrantee shall cooperate with the City with respect to any legislative and/or administrative actions necessary to effectuate this Section.

C. Eligibility for stormwater credit(s) is contingent upon Property Owner or Subgrantee adequately operating and maintaining the Project SMPs, complying with the applicable requirements for stormwater credits as set forth in the Department's Rates and Charges, and any other applicable requirements set forth in Exhibit G.

D. The City shall have the right, but not the obligation, to operate, maintain, inspect and repair the SMP should Property Owner fail to do so. Further, should the Property Owner fail to operate, maintain, inspect or repair the SMP, Property Owner shall reimburse the City for all costs related to the City assuming these obligations.

E. Monitoring Reports. Property Owner shall provide water quality or other monitoring reports to PIDC-LDC in a format PIDC-LDC or the City prescribes.

7. Prohibitions.

The following activities are not eligible for financial support from SMIP grants:

(A) design, plans, or research that is not part of a stormwater infrastructure support project;

(B) use of funds for political advocacy, boycotts, advertising, litigation or legal expenses; and

(C) use of funds for legally mandated actions under local, state or federal law, and/or associated with administrative permit conditions or terms of settlement agreements.

8. Termination.

PIDC-LDC reserves the right to terminate this Subgrant Agreement in its sole discretion at any time and for any reason or no reason, by giving Subgrantee thirty (30) days written notice of termination; provided, however, that this right to terminate does not diminish the obligation of PIDC-LDC to transfer to Subgrantee all necessary Project Funding for repayment of contract obligations assumed by Subgrantee prior to receiving notice of the termination.

9. Records; Reports; Record Drawings.

A. Maintenance of Records. Subgrantee shall keep full, complete, and accurate books of account and other records related to the Project in accordance with generally accepted accounting principles, consistently applied, and promptly make them available for inspection by PIDC-LDC within the City of Philadelphia upon PIDC-LDC's request. Without limiting this Paragraph, Subgrantee shall cause the third parties it contracts with to keep full, complete, and accurate books of account of expenditures related to this Project.

B. Inspection. PIDC-LDC or its duly authorized representative will have the right at all reasonable times and places to inspect and audit Subgrantee's books of account and other records maintained as required by this Subgrant Agreement.

C. Annual Account; Reports; Record Drawings. Subgrantee shall submit to PIDC-LDC, by the end of the Term or within sixty (60) days after completion of the Project, whichever is earlier, a report which includes a description of the activities undertaken by Subgrantee on or with respect to the Project, record drawings of all SMPs and their components, and an income statement for the most recently completed fiscal year of Subgrantee.

D. Public Records. Subgrantee and Property Owner acknowledge that documents it submits to PIDC-LDC or the City related to the Project and/or this Subgrant Agreement may be subject to public disclosure under Pennsylvania's Right to Know Act, 65 P.S. § 67.101-67.3104.

10. City Approvals.

A. Review, approval or inspection by the City or PAID or PIDC-LDC of any plans, work, or other materials submitted or performed by Subgrantee in connection with this Subgrant Agreement shall not constitute any representation, warranty or guaranty by the City or PAID or PIDC-LDC as to the substance or quality of the matter reviewed, approved, or tested. No person or firm shall rely in any way on such review, approval, or test, and at all times Subgrantee shall use its own independent judgment as to the accuracy and quality of all such matters. Review or approval by any City or PAID or PIDC-LDC official of any work performed by third parties shall not constitute or be construed to constitute approval otherwise required by the City's boards and commissions in connection with any and all aspects of such work.

B. This Subgrant Agreement shall not be construed to constitute an approval or permit required to be given by a City department or agency under Applicable Law (defined below). Subgrantee or its contractor shall be responsible for obtaining all permits, required by any governmental entity, to complete the Project.

11. Compliance with Applicable Law.

Property Owner and Subgrantee and their contractors, subcontractors, and agents shall observe and comply with all present and future laws, ordinances, orders, rules, regulation and requirements of all federal, state and municipal governments, courts, departments, commissions, boards or any other body exercising functions similar to those of any of the foregoing, including but not limited to those listed in **Exhibit E** which may be applicable under this Subgrant Agreement or the Project (“**Applicable Law(s)**”), and shall comply with the Economic Opportunity Plan (the “**EOP**”), if applicable, as contained in **Exhibit H** of this Subgrant Agreement, throughout the Term.

12. Indemnification.

A. Property Owner and Subgrantee shall, and shall cause their contractors to, indemnify, defend, and hold harmless PAID, PIDC-LDC, the City, and their respective officers, directors, employees, and agents from and against any and all losses, claims, actions, damages, costs, expenses (including but not limited to court costs and attorney’s fees), liabilities, and judgments, including but not limited to those in connection with loss of life, bodily injury (including death), personal injury, or damage to property, contamination or adverse effects on the environment, failure to pay contractors and suppliers, and any breach of this Subgrant Agreement, directly or indirectly related to this Subgrant Agreement, including without limitation, the violation of any Applicable Laws, and/or arising from Property Owner’s or Subgrantee’s act or omission or negligence or fault or the act or omission or negligence or fault of Property Owner’s or Subgrantee’s agents, contractors, subcontractors, employees, invitees, or consultants, relating to the Project or Subgrantee’s obligations under this Subgrant Agreement.

B. If any action or proceeding is brought against PAID or PIDC-LDC or the City by reason of any claim above, Property Owner and Subgrantee must, upon written notice from the City or PAID or PIDC-LDC, at Property Owner’s or Subgrantee’s sole cost and expense, including without limitation attorneys’, architects’, and experts’ fees and court costs, resist or defend such action or proceeding by counsel approved by the City or PAID or PIDC-LDC in writing. No approval of counsel will be required where the claim is resisted or defended by counsel of an insurance carrier obligated to resist or defend such claim.

13. Release.

Subgrantee acknowledge that PIDC-LDC’s obligation to grant Project Funding to support payment of costs related to the Project is limited to the grant and transfer of

Project Funding as provided in Section 2 of this Subgrant Agreement. Neither PAID, PIDC-LDC nor the City shall have any obligation beyond those expressly set forth herein to pay for or fund the Project. Property Owner and Subgrantee shall release for itself, and for its officers, employees, officials, members, partners, shareholders, representatives, successors, assigns, heirs and agents, the City and PAID and PIDC-LDC from any overruns, other costs, damages, losses, or claims which may result from the use or receipt of Project Funding. Property Owner and Subgrantee shall include, in all contracts issued in connection with the Project, a provision stating that the contractor is not in privity with, and will have no claim against, PIDC-LDC or PAID or the City for any costs it incurs or claims to have incurred in connection with completing work on the Project, and must look solely to Subgrantee for payment of such costs. Notwithstanding the foregoing, the City, PAID, or PIDC-LDC may submit payments directly to Subgrantee's contractor or subcontractors in accordance with the procedures described in this Subgrant Agreement.

14. Insurance.

A. Subgrantee shall cause its contractors and subcontractors to procure and maintain, at their sole cost, throughout the Term, insurance of the types and minimum limits of coverage set forth on **Exhibit D** attached hereto and made a part hereof. All insurance shall be procured from reputable insurers who are acceptable to City and authorized to do business in the Commonwealth of Pennsylvania. All insurance required herein shall be written on an "occurrence" basis and not a "claims-made" basis.

B. Such coverage shall also include insurance against such other hazards, risks or perils, and in such amounts as reasonably may be requested by the City and as at the time are customarily insured against with respect to improvements similar to the Project in character, size, general location, use and occupancy.

C. The City of Philadelphia, its officers, employees and agents, and PAID and PIDC-LDC, and their respective officers, members, employees and agents, shall be named as additional insureds on all policies required hereunder except the Workers Compensation and Employers Liability policies. All such policies shall include an endorsement stating that the coverage afforded to the additional insureds will be primary to any other coverage available to them, and shall be without restriction in comparison to the primary named insured.

D. Certificates of insurance evidencing the required coverage shall be submitted to the City's Office of Risk Management (1515 Arch Street, 14th Floor, Philadelphia, PA 19102, Attention: Deputy Finance Director for Risk Management), the Philadelphia Water Department (1101 Market Street, 5th Floor, City of Philadelphia, PA 19107, Attention: Stormwater Billing and Incentives Manager), and PAID/PIDC-LDC (1500 Market Street, Suite 2600, Philadelphia, PA 19102, Attention: Director of Conduit Financing) on or before the execution date of this Agreement and in any event prior to commencement of the Project. Subgrantee shall furnish certified copies of the original

policies of all insurance required under this Agreement at any time within ten (10) days after written request by City.

E. All insurance policies shall provide for at least thirty (30) days prior written notice to be given to City in the event coverage is materially changed, canceled or not renewed. At least ten (10) days prior to the expiration of each policy, Subgrantee shall deliver to City an original certificate evidencing a replacement policy to become effective immediately upon the termination of the previous policy.

F. Subgrantee shall furnish the City with proof that the premiums for all insurance required hereunder have been paid in full. Such proof shall be provided in writing at the time of the delivery of the certificate of insurance.

G. If Subgrantee fails to cause such insurance to be maintained, City shall not be limited in the proof of any damages which City may claim against Subgrantee or any other person or entity to the amount of the insurance premium or premiums not paid or incurred and which would have been payable upon such insurance, but the City shall also be entitled to recover as damages for such breach the uninsured amount of any loss and damages, expenses of suit and costs, including without limitation, reasonable cancellation fees, suffered or incurred during any period when Subgrantee shall have failed or neglected to provide insurance as required herein.

H. The insurance requirements set forth herein are not intended and shall in no way modify, limit or reduce the indemnifications made in this Agreement by Subgrantee to City or limit Subgrantee's liability under this Agreement to the limits of the policies of insurance required to be maintained by Subgrantee hereunder.

I. From time to time, and in any event not more frequently than once every year, the City may, upon thirty (30) days notice to Subgrantee, reasonably adjust the amounts, types and deductibles of the insurance coverage required hereunder.

15. Default; Remedies.

A. Subgrantee shall be in default of this Subgrant Agreement if it or any Property Owner fails to comply within sixty (60) days written notice from PIDC-LDC with any of the terms and conditions of this Subgrant Agreement, including but not limited to failure to apply the Project Funding only for the purposes explicitly permitted under this Subgrant Agreement.

B. Upon default of Subgrantee under this Subgrant Agreement, PIDC-LDC may, at its sole discretion:

1) Immediately terminate this Subgrant Agreement by giving notice of termination to Subgrantee;

2) Immediately suspend all grants and payments of the Project Funding by PIDC-LDC to Subgrantee; provided, however, PIDC-LDC may, subject to the City's approval, consent to additional grants which PIDC-LDC agrees are necessary to enable Subgrantee to make payments for obligations incurred prior to termination of this Subgrant Agreement and/or general suspension of grant payments; and/or

3) Exercise any and all other remedies available at law, equity, and under this Subgrant Agreement or any other agreement between PIDC-LDC and Subgrantee.

C. Within ten (10) days of PIDC-LDC's termination or cancellation of this Subgrant Agreement for any reason, Subgrantee must remit to PIDC-LDC a complete accounting of all the Project Funding that Subgrantee received pursuant to this Subgrant Agreement. Final statements for payment must be submitted within sixty (60) days of termination.

D. No failure by the City or PIDC-LDC to insist upon the strict performance of any term, covenant, agreement, provision, condition or limitation of this Subgrant Agreement or to exercise any right or remedy consequent upon a breach of this Subgrant Agreement, and no acceptance by the City or PIDC-LDC of full or partial performance during the continuance of any such breach, will constitute a waiver of any such breach or of such term, covenant, agreement, provision, condition or limitation. No breach may be waived except by a written instrument that the City or PIDC-LDC signed. This Subgrant Agreement will continue in full force and effect with respect to any other then existing or subsequent breach of this Subgrant Agreement notwithstanding any waiver or a breach by the City or PIDC-LDC.

E. Should Subgrantee fail to use the Project Funding as permitted under this Subgrant Agreement, Subgrantee shall reimburse all Project Funding received from PIDC-LDC under this Subgrant Agreement within 30 days notice from PIDC-LDC.

16. No Agency Relationship.

This Subgrant Agreement shall not be deemed or construed to establish any agency relationship between the City, PAID and/or PIDC-LDC and Subgrantee and/or Property Owner.

17. Entire Agreement.

This Subgrant Agreement sets forth all agreements and understandings between PIDC-LDC and the Subgrantee relating to the Project and there are no agreements or understandings, either oral or written, between them other than as are set forth in this Subgrant Agreement. Any agreement hereafter made shall be ineffective to change, modify or amend this Subgrant Agreement in whole or part unless such agreement has been executed by both PIDC-LDC and Subgrantee. No oral representations, whenever made, by any City or PIDC-LDC official, employee or agent, or by any employee, agent

or contractor of Subgrantee shall be effective to modify the terms of this Subgrant Agreement.

18. Notices.

Unless otherwise specified in this Subgrant Agreement, all notices, requests, and other communications under this Subgrant Agreement shall be in writing and shall be sent by United States registered or certified mail, return receipt requested, postage prepaid, or by overnight or hand delivery service with receipt requested, or by facsimile followed by hard copy forwarded as aforesaid and addressed to PIDC-LDC or to Subgrantee as follows:

Exhibit “E”

STANDARD CITY PROVISIONS

Defined Terms

Capitalized terms used in this Exhibit and not defined in this Exhibit shall have the meanings ascribed to them in this Subgrant Agreement.

Fair Practices

Subgrantee agrees, in performing this Subgrant Agreement, to comply with the provisions of the Fair Practices Ordinance of The Philadelphia Code (Chapter 9-1100) and the Mayor’s Executive Order No. 4-86, as they may be amended from time to time, both of which prohibit, inter alia, discrimination against persons with AIDS in employment and services.

Nondiscrimination

A. This Subgrant Agreement is entered into under the terms of the Philadelphia Home Rule Charter and in its performance, Subgrantee shall not discriminate nor permit discrimination against any person because of race, color, sex, sexual orientation, religion, national origin or ancestry. In the event of such discrimination, PAID may terminate this Subgrant Agreement forthwith or exercise any other remedy provided to PAID in this Subgrant Agreement or at law or in equity. The foregoing shall not be construed to limit or restrict PAID’s right to terminate this Subgrant Agreement as set forth in other sections of this Subgrant Agreement.

B. In accordance with Chapter 17-400 of The Philadelphia Code, Subgrantee agrees that its payment or reimbursement of membership fees or other expenses associated with participation by its employees in an exclusionary private organization, insofar as such participation confers an employment advantage or constitutes or results in discrimination with regard to hiring, tenure of employment, promotions, terms, or privileges or conditions of employment on the basis of race, color, sex, sexual orientation, religion, national origin or ancestry, constitutes a substantial breach of this Subgrant Agreement entitling PAID and/or the City to all rights and remedies provided in this Subgrant Agreement or otherwise available at law or in equity.

C. Subgrantee agrees to include subparagraphs (a) and (b) of this Section, with appropriate adjustments for the identity of the parties, in all subcontracts which are entered into for work to be performed pursuant to this Subgrant Agreement.

D. Subgrantee further agrees to cooperate with the Commission on Human Relations in any manner which the said Commission deems reasonable and necessary for the Commission to carry out its responsibilities under Chapter 17-400 of The Philadelphia Code.

Prohibited Gifts

A. Pursuant to Executive Order 03-11, no official or employee in the Executive and Administrative Branch of the City shall solicit or accept, directly or indirectly, anything of value, including any gift, gratuity, favor, entertainment, invitation, food, drink or loan, unless consideration of equal or greater value is conveyed in return, from any of the following sources:

(1) A person seeking to obtain business from, or who has financial relations with the City,

(2) A person whose operations or activities are regulated by any City agency,

(3) A person engaged, either as principal or attorney, in proceedings before any City agency or in court proceedings in which the City is an adverse party;

(4) A person seeking legislative or administrative action by the City; or

(5) A person whose interests may be substantially affected by the performance or nonperformance of the official's or employee's official duties.

B. Subgrantee understands and agrees that if it offers anything of value to a City official or employee under circumstances where the receipt of such item would violate the provisions of this Executive Order, Subgrantee shall be subject to sanctions with respect to future City contracts. Such sanctions may range from disqualification from participation in a particular contract to debarment, depending on the nature of the violation.

Certification of Non-Indebtedness

A. Subgrantee and Property Owners hereby certify and represent to the City that Subgrantee and Property Owners' and Subgrantee's and Property Owners' parent company(ies) and subsidiary(ies), affiliate(s), if any, are not currently indebted to the City, and will not during the Term be indebted to the City, for or on account of any delinquent taxes (including, but not limited, to taxes collected by the City on behalf of the School District of Philadelphia), liens, judgments, fees, water or sewer rents, or other debts for which no written agreement or payment plan satisfactory to the City has been established.

B. Subgrantee shall require all contractors and subcontractors performing work on the Project or in connection with this Subgrant Agreement to be bound by the following provision and Subgrantee shall cooperate with the City in exercising the rights and remedies described below or otherwise available at law or in equity:

“Contractor (‘Contractor’) or Subcontractor (‘Subcontractor’) hereby certifies and represents that Contractor or Subcontractor, and Contractor or Subcontractor’s parent company(ies) and their subsidiary(ies), are not currently indebted to The City of Philadelphia (the ‘City’), and will not at any time during the Term of Subgrantee’s Subgrant Agreement, dated _____, 20__

with PIDC-LDC (the “Agreement”) be indebted to the City, for or on account of any delinquent taxes (including, but not limited to, taxes collected by the City on behalf of the School District of Philadelphia), liens, judgments, fees or other debts for which no written agreement or payment plan satisfactory to the City has been established.”

C. Any breach or failure to conform to the aforesaid certifications shall constitute a default by Subgrantee and entitle the City, PAID, and/or PIDC-LDC to exercise any rights or remedies available to it under this Subgrant Agreement, and at law and in equity.

Campaign Finance and Other Disclosures; Contract Reform

A. For a period of five years after the Effective Date, Subgrantee covenants that contributions will not be made that would render the Subgrantee ineligible to apply for Financial Assistance under the provisions of §17-1404(1) of the Philadelphia Code. In addition to the remedies PIDC-LDC may have for breach of such covenant, the City also has remedies for violation of this provision.

B. The Subgrantee shall, for a period of five years after the Effective Date, disclose any contribution of money or in-kind assistance made by Subgrantee during such time period to a candidate for nomination or election to any public office in the State or to an individual who holds such office, or to any political committee or state party in the State, or to any group, committee or association organized in support of any such candidate, office holder, political committee or state party, and the date and amount of such contribution. Economic Opportunity Plan

City of Philadelphia Economic Opportunity Plan {For loans/grants}

I. Introduction and Definitions

A. In support of the City’s Antidiscrimination Policy, Chapter 17-1600 of The Philadelphia Code requires the development and implementation of “Economic Opportunity Plan(s)” for certain classes of contracts and covered projects as defined in Section 17-1601. The Economic Opportunity Plan (“Plan”) memorializes the Owner’s best and good faith efforts to provide meaningful and representative opportunities for M/W/DSBEs in contracts and covered projects and identifies the Owner’s outreach and hiring activities for employing an appropriately diverse building trade(s) workforce in connection with the contract or covered project.

The Owner hereby verifies that all information submitted to the Office of Economic Opportunity (“OEO”) in response to this Plan, is true and correct and is notified that the submission of false information is subject to the penalties of 18 Pa.C.S. Section 4904 relating to unsworn falsification to authorities and 18 Pa.C.S. Section 4107.2 (a)(4) relating to fraud in connection with minority business enterprises or women's business enterprises.

B. For the purposes of this Plan, MBE, WBE and DSBE shall refer to businesses so recognized by the City of Philadelphia through its Office of Economic Opportunity (“OEO”). Only the work or supply effort of firms that are certified as M/W/DSBEs by an OEO approved certifying agency¹ will be eligible to receive credit as a Best and Good Faith Effort. In order to be counted, certified firms must successfully complete and submit to the OEO an application to be included in the OEO Registry which is a list of registered M/W/DSBEs maintained by the OEO and available online at www.phila.gov/oeo/directory.

For this Plan, the term “Best and Good Faith Efforts,” the sufficiency of which shall be in the sole determination of the City, means: a Owner’s efforts, as evaluated by the City, the scope, intensity and appropriateness of which are designed and performed to achieve meaningful business opportunities for M/W/DSBEs and building trades employment opportunities for journey person and apprentice minorities and females.

The following are examples of Best and Good Faith Efforts:

- Owner seeks assistance from the Philadelphia area building trades and the Diversity Apprenticeship Program to conduct employment outreach and identify minority and female apprentices and journeypersons for work on the project.
- Owner adheres to a published policy of nondiscrimination in the hiring, retention and promotion of employees which includes communication of that policy to Owner’s project forepersons.

¹A list of “OEO approved certifying agencies” can be found at www.phila.gov/oeo

- Owner sponsors minority or female apprentices or otherwise demonstrates support of pre-apprentice, apprenticeship or training program(s) that target the employment of minority persons and women.
- Owner makes commitments to use MBEs, WBEs and DSBEs in its bidding process for commercially acceptable subcontracted services and materials supply even when the Owner might otherwise prefer to perform/supply these items without subcontracting.
- Owner timely solicits through all reasonable and available means the interest of OEO certified businesses that have the capability to perform the work of the Bid. Such efforts include use of the OEO Directory of Certified Firms, attendance at pre-bid meetings, advertising in minority focused publications, written mailings to M/W/DSBEs. The Owner must determine with certainty if the M/W/DSBEs are interested by taking appropriate steps to follow up on initial solicitations; one time contact, without any follow up, is not acceptable.
- Owner provides interested MBEs, WBEs and DSBEs, prior to the date of loan/grant application submission, with adequate information about the plans, specifications, and requirements of the contract in a timely manner to assist them in responding to a solicitation. Assistance may include estimating support.
- Owner provides arms length business assistance to interested M/W/DSBEs which may include access or introduction to major manufacturer/suppliers, lines of credit and union halls.
- Owner negotiates in good faith with interested M/W/DSBEs. An Owner using good business judgment would consider a number of factors in negotiating with subcontractors, including M/W/DSBE subcontractors, and would take a firm's price and capabilities as well as the objectives of Chapter 17-1600 into consideration.

II. Project Scope

[THIS PROJECT SCOPE SECTION IS TO BE FILLED OUT BY A REPRESENTATIVE OF THE ENTITY FOR WHICH THIS EOP IS BEING WRITTEN SHOULD INCLUDE PROJECT DESCRIPTION AND LOCATION.]

- A. Duration. This Plan shall apply to contracts awarded and procurements by the Owner and all Participants throughout the entire length of the Project.**
- B. Statement of Objectives. The Objectives set forth in the Plan shall be incorporated in all requests for proposals, bid packages and solicitations for the Projects and communicated to all Participant levels.**

III. Economic Opportunity Plan Commitments

A. M/W/DSBE Participation

As a benchmark for the expression of "Best and Good Faith Efforts" to provide meaningful and representative opportunities for M/W/DSBEs in the [Property's development OR Project Name], the following participation ranges have been established. These participation

ranges represent, in the absence of discrimination in the solicitation and selection of M/W/DSBEs, the percentage of MBE, WBE and DSBE participation that is reasonably attainable through the exercise of Best and Good Faith Efforts. These percentages relate to the good faith estimated cost of the entire [Project Name OR Development]. In order to maximize opportunities for as many businesses as possible, a firm that is certified in two or more categories (e.g. MBE and WBE and DSBE or WBE and DSBE) will only be credited toward one participation range as either an MBE or WBE or DSBE. The firm will not be credited toward more than one category. These ranges are based upon an analysis of factors such as the size and scope of the development and the availability of MBEs, WBEs, DSBEs and DBEs to participate in this development:

	Minority	Female	Disabled
Contracts	Owned	Owned	Owned
Professional Services			
Construction Contractors			
Services, Supplies, & Equipment			

B. Employment of a Diverse Workforce

Owner agrees to exhaust its Best and Good Faith Efforts to employ minority persons and females in its workforce of apprentices and journeymen. Owner is obligated to exhaust its Best and Good Faith Efforts to employ²:

- Minority Apprentices – 50% of all hours worked by all apprentices
- Minority Journeymen – 32% of all journey hours worked across all trades
- Female Apprentices – 7% of all hours worked by all apprentices
- Female Journeypersons - 7% of all hours worked across all trades

IV. Evaluation of Responsiveness and Responsibility

A. [Owner Representative] shall identify all M/W/DSBE commitments and other agreements evidencing its intent to use Best and Good Faith efforts to employ minority persons and females at the levels stated herein on the form entitled, “M/W/DSBE Participation and Workforce Commitments.” The identified commitments on this form constitutes a representation that the M/W/DSBE is capable of providing commercially useful goods or services relevant to the commitments and that the [Owner Representative] has entered into a legally binding

² These goals, which have been adopted by the Economic Opportunity Cabinet, are the recommendations of the Mayor’s Commission on Construction Industry Diversity..

commitments or other legally binding agreements with the listed M/W/DSBEs for the work or supply effort described and the dollar/percentage amount(s) set forth on the form. In calculating the percentage of M/W/DSBE participation, the standard mathematical rules apply in rounding off numbers. In the event of inconsistency between the dollar and percentage amounts listed on the form, the percentage will govern.

B. M/W/DSBE commitments are to be memorialized in a written subcontract agreement. Letters of intent, quotations, contracts, subcontracts and any other documents evidencing commitments with M/W/DSBEs, including the M/W/DSBE Participation and Workforce Commitments Form, become part of and an exhibit to the Agreement resulting from the RFP.

C. OEO will review [Owner Representative]'s commitments for the purpose of determining whether Best and Good Faith Efforts have been made. OEO reserves the right to request further documentation and/or clarifying information at any time during the construction and development of the Project.

1. Best and Good Faith Efforts will be evaluated on the basis of Owner's BGFE Form and any other information requested from Owner by the City.

2. Commercially Acceptable Function

A Contractor that enters into a subcontract with an M/W/DSBE shall be considered to have made a Best and Good Faith Effort in that regard only if its M/W/DSBE subcontractor performs a commercially acceptable function ("CAF"). An M/W/DSBE is considered to perform a CAF when it engages in meaningful work or supply effort that provides for a distinct element of the subcontract (as required by the work to be performed in accordance with Bid specifications), where the distinct element is worthy of the dollar amount of the subcontract and where the M/W/DSBE carries out its responsibilities by actually performing, managing and supervising the work involved; M/W/DSBE subcontractors must perform at least twenty percent (20%) of the cost of the subcontract (not including the cost of materials, equipment or supplies incident to the performance of the subcontract) with their own employees.

The City may evaluate the amount of work subcontracted, industry practices and any other relevant factors in determining whether the M/W/DSBE is performing a CAF and in determining the amount of credit the contractor receives towards the participation ranges. For example, a contractor using an M/W/DSBE non-stocking supplier (i.e., a firm that does not manufacture or warehouse the materials or equipment of the general character described by the Bid specifications and required under the contract) to furnish equipment or materials will only receive credit towards the participation ranges for the fees or commissions charged, not the entire value of the equipment or materials furnished.

V. Compliance and Monitoring of Best and Good Faith Efforts

A. The Owner agrees to cooperate with OEO in its compliance monitoring efforts, and to submit, within the time limits prescribed by OEO, all documentation which may be requested by OEO relative to the awarded contract, including the items described below. The Owner must provide as required and maintain the

following contract documentation for a period of three (3) years following acceptance of final payment under the contract:

- Copies of signed contracts and purchase orders with M/W/DSBE subcontractors;
- Evidence of payments (cancelled checks, invoices, etc.) to subcontractors and suppliers to verify participation;
- Telephone logs and correspondence relating to M/W/DSBE commitments.
- To the extent required by law, the [Owner Representative] shall ensure that all its on-site contractors maintain certified payrolls which include a breakout of hours worked by minority and female apprentices and journeypersons; these documents are subject to inspection by OEO.

B. Prompt Payment of M/W/DSBEs

1. The [Purchaser OR Developer] agrees and shall cause all its contractors to ensure that all M/W/DSBEs participating in the Project receive payment for their work or supply effort within five (5) business days after receipt of a proper invoice following satisfactory performance.
2. The Owner shall within a timely manner after receipt of an invoice for payment for work performed under the contract, deliver to its M/W/DSBE subcontractors their proportionate share of such payment for work performed (including the supply of materials). In connection with payment of its M/W/DSBE subcontractors, the Owner agrees to fully comply with the City's payment reporting process which may include the use of electronic payment verification systems.
3. Each month of the contract term and at the conclusion of the contract, the Owner shall provide to the OEO documentation reconciling actual dollar amounts paid to M/W/DSBE subcontractors to M/W/DSBE commitments presented in the BGFE Form.

C. Oversight Committee

1. The Owner and/or at the discretion of the City of Philadelphia, in consultation with the appropriate agencies and entities, will establish and identify the members of a Project Oversight Committee, to include representatives from the Owner, the Developer and/or the General Contractor and Construction Manager, the Building Trades, and the City which may include the Project site's District Councilperson, OEO, and appropriate community organizations ("Committee"). Participants will engage in monitoring, reporting and problem solving activities which are to include regular meetings to address all matters relevant to further development of the Plan, carrying out its implementation and the successful completion of the Project.

A meeting of the Oversight Committee shall be called by the Owner or the City of Philadelphia within one (1) month of the initiation of this Project and shall meet on a

regular basis during all phases of the Project. Participants will engage in monitoring, reporting and problem solving activities which are to include regular meetings to address all matters relevant to further development of the Plan, carrying out its implementation and the successful completion of the Project.

2. If a Project Oversight Committee is established, the City will convene meetings of the Committee no later than one (1) month after issuance of the Notice To Proceed and/or project has started.

D. Reporting

The Owner, will agree to file an annual report with the City of Philadelphia's Mayor and City Council concerning the performance of the Economic Opportunity Plan within the Project. In addition, during construction, the Owner will provide higher-level "snapshot" reports to the Oversight Committee containing updates for certain categories of information contained in its annual report on a monthly basis during construction, and on a quarterly basis during the first year of operations. Snapshot reporting will include: (i) utilization of M/W/DSBEs and/or DBEs; (ii) the hiring and employment of minorities and females, (iii) the hiring and employment of Philadelphia residents and; (iv) training programs utilized and the placement rates. All reports (quarterly & annually) to the City under this section will be provided to the Executive Director of the Office of Economic Opportunity and to the members of the Oversight Committee.

VI. Remedies and Penalties for Non-Compliance

- A. In cases where the Owner has cause to believe that a Participant, acting in good faith, has failed to comply with the provisions of the Plan, the Owner and/or the Oversight Committee, with the assistance and consultation of the appropriate agencies and professional entities, shall attempt to resolve the noncompliance through conciliation and persuasion.
- B. In conciliation, the Participant must satisfy the Owner and the Oversight Committee that they have made their *best and good faith efforts* to achieve the agreed upon participation goals by certified M/W/DS-BE and/or DBE firms. *Best and good faith efforts* on the part of the Participant/Contractor include:
 - 1) Entering into a contractual relationship with the designated M/W/DS-BE and/or DBE firm in a timely, responsive and responsible manner, and fulfilling all contractual requirements, including payments, in said manner.
 - 2) Notifying all parties, including the Owner, the M/W/DS-BE and/or DBE firm, the Oversight Committee and all relevant Participants, of any problems in a timely manner.
 - 3) Requesting assistance from the Owner and/or the Oversight Committee in resolving any problems with any M/W/DS-BE and/or DBE firm.

4) Making every reasonable effort to appropriately facilitate successful performance of contractual duties by an M/W/DS-BE and/or DBE firm through timely, clear and direct communications.

C. In cases where the Owner and/or the Oversight Committee have cause to believe that any Participant has failed to comply with the provisions of the Plan, they shall conduct an investigation.

D. After affording the Participant notice and an opportunity to be heard, the Owner and/or the Oversight Committee are authorized to take corrective, remedial and/or punitive action. Such actions may include, but are not limited to:

- 1) Declaring the Participant as non-responsible and/or non-responsive, with a determination as ineligible to receive the award of a contract, continue a contract and/or ineligible for any other future contracts affiliated with this Plan;
- 2) Suspending the violating Participant from doing business with the Owner;
- 3) Withholding payments to the violating Participant; and/or
- 4) Pursuing and securing any relief which the Owner and/or the Oversight Committee may deem to be necessary, proper, and in the best interest of the Owner and the Project, consistent with applicable policy and law.

E. A Participant may appeal a determination of non-compliance with this Plan by filling a written grievance with the Owner and/or its Oversight Committee.

F. Within five (5) working days the Owner and/or the Oversight Committee shall issue and serve a written notice/determination, together with a copy of the grievance as filed, to all persons named in the grievance.

No delay or failure on the part of the City to exercise any rights, powers, or remedies herein provided shall be construed as a waiver thereof or acquiescence of such breach or of any future breach.

9. No Obligation to Maintain by City.

Despite any other provisions of this Agreement, this Agreement does not obligate the City to appropriate or spend money at any time or for any reason. It is expressly understood and agreed that the City is under no obligation to routinely inspect, maintain

or repair the SMP(s), and in no event shall this Agreement be construed to impose any such obligation on the City.

10. Federal Tax Items.

The Property Owner and City confirm that this Agreement is not intended to be a Qualified Conservation Contribution as defined under the Internal Revenue Code and regulations promulgated thereunder.

11. Covenant Running with Land.

The Property Owner agrees whenever the Property is held, sold, conveyed or otherwise transferred during the Term of this Agreement, the Property shall be subject to this Agreement which shall apply to, bind and be obligatory to all then current owner(s) of Property. This Agreement shall constitute a real covenant running with the land for the Term of this Agreement, and shall be binding on the Property Owner, its administrators, executors, heirs, assigns, and any other successors in interest during the Term of this Agreement, including, without limitation, any successors in title to the Property or any part thereof, whether or not they have actual notice of this Agreement and whether or not the deed of transfer specifically states that the transfer is under and subject to this Agreement. It is further understood and agreed that subject to the terms of this Agreement, the City shall have peaceful and quiet enjoyment of its rights under this Agreement free and clear of rights or consent of third parties, other than those that exist as of the Effective Date of this Agreement, as identified in Exhibit C3.

12. Reproduction and Release of the Plans and Records.

Property Owner authorizes the City to reproduce and release copies of plans and other records that it previously submitted or in the future submits to PIDC-LDC or the City in connection with the Project or the Project Funding as needed.

13. Agreement to be Recorded.

Property Owner shall record this Agreement with the Philadelphia Department of Records at the Property Owner's expense. The City shall be the sole beneficiary of the agreements, covenants and restrictions set forth herein and such agreements, covenants and restrictions shall run with the land in favor of the City. responsible for maintenance of the SMP(s). Failure to attach and/or incorporate this Agreement shall not diminish the effect of this Agreement.

15. Modifications or Termination.

If the City's rights or privileges under this Agreement are or are about to be modified or terminated by exercise of the power of eminent domain (condemnation) or adjudication of a court of competent jurisdiction sought by a person or entity other than the City, then the City is entitled to recover from the person or entity seeking the modification or termination (i) restitution of amounts paid by the City for Project Funding and any other sums invested by the City in the SMP(s) and/or SMP Area; and (ii) reimbursement of any litigation expenses incurred by the City, including without limitation reasonable attorney and expert witness fees and disbursements. The description of the City's remedies in this Section 15 does not preclude the City from exercising any other right or remedy that at any time be available to the City under this Agreement or federal, state or local laws and regulations.

16. Amendments.

This Agreement may only be amended or modified by a written document signed by the City and Property Owner. The City will only enter into an amendment if it determines, at its sole discretion, that the amendment is consistent with and in furtherance of the Conservation Objective and will not result in any private benefit prohibited under the Internal Revenue Code.

17. Remedies; Enforcement.

The Property Owner understands, acknowledges and agrees as follows:

(a) **Enforcement.** The City is an interested party to this Agreement and the Property Owner consents to enforcement by the City, administratively or at law or equity, of the restrictions, covenants, obligations and agreements contained herein.

(b) **Injunctions.** Monetary damages would not be adequate or sufficient to compensate the City for a breach of any of the restrictions, covenants, obligations and/or agreements of this Agreement. Accordingly, in addition to any other remedies available to the City administratively, at law or equity, under this Agreement or otherwise, the City may obtain a mandatory and/or prohibitory injunction compelling the Property Owner to specifically perform and observe the restrictions, covenants, obligations and agreements contained in this Agreement or to remedy any failure on the part of the Property Owner to perform or observe any such restriction, covenant, obligation or agreement.

(c) **Exclusivity.** No right or remedy conferred upon the City in this Agreement is intended to be exclusive of any other right or remedy contained in this

Only the City has the right to enforce the terms of this Agreement and exercise rights of release, transfer, assignment or other discretionary rights of the City. This Agreement is valid and enforceable even though or if: it is not appurtenant to an interest in real property; it can be or has been assigned; it is not of a character recognized traditionally in common law; it imposes a negative burden or affirmative obligations upon the owner of the Property; the benefit does not touch nor concern real property; there is no privity of estate or contract; or the City becomes the owner in fee of the Property.

(e) **Remedies Cumulative.** The description of City's remedies in this Section 17 does not preclude the City from exercising any other right or remedy that at any time be available to the City under federal, state or local laws or regulations. If the City chooses to exercise one remedy, the City may nevertheless choose to exercise one or more of the other rights or remedies available to the City at the same time or at any other time.

18. Representations and Warranties by Property Owner.

(b) Property Owner has the power and is duly authorized to execute this Agreement.

The Property Owner shall, at all times, indemnify, hold harmless and defend the City, its agencies, boards, commissions, offices and departments, agents, employees, elected officials or other representatives and their respective successors and assigns against any claims which may result or are claimed to result from the construction, operation, maintenance, inspection, malfunction, repair or replacement of the aforementioned SMP(s) and SMP Area, as well as any and all costs and expenses incurred by indemnified parties to enforce the rights of the City as granted herein.
